Office of the Clerk of the Common Council, Room 3
City Hall, New-York City.
Pebruary 17, 1897.

Tursuant to directions given me in the following resoluwhich was adopted by the Common Council February,
1897, and approved by the Mayor Pebruary 13th, 1897.

DUBLIC NOTICE.

Sign. 1897, and approved by the Mayor February 13th, 1897, at 2 p. m. o'clock in the afternoon, and the Chamber of the Roard of Aldermen, be and they are hereby designated as the time and place when and where the application of the Third Avenue Railroad Company to the Common Council of the City of New-York for its consent and permission for the construction, maintenance, operation and use by the said petitioner of the surface railroad mentioned in the petition of saidspetitioner for such consent, through, upon and along the surface of One Hundred and Forty-fifth street, and other streets, avenues and highways, as are more particularly set forth in said petition, and therein described, will be first considered, and that public notice be given by the Clerk of this Board by publishing the same daily for four-teen days in two daily newspapers published in this city, to be designated therefor by his Honor the Mayor, according to the provisions of section 92, as amended, of the Railroad Law; advertising to be at the expense of the petitioner.

Public notice is hereby given that at the time and place

Railroad Law, as the control of the City of the Country of the Third Avenue Railroad Company will be considered, as is required by the provisions of the Railroad Law. To the Honorable the Common Council of the City of New York:

The petition of the Third Avenue Railroad Company remestibile shows:

New York:
The petition of the Third Avenue Railroad Company respectfully showe:
That your petitioner is a corporation, duly organized and incorporated under the laws of the State of New York, and has constructed and now operates a line of railroad, extending, among other streets, upon the Bowery, Third avenue, one Hundred and Twenty-fifth street. Manhattan street and Amsterdam avenue, in the City of New York.
That your petitioner proposes to construct, maintain and operate a street surface railroad for public use, in the City of New York, with double tracks, connecting with the tracks of said company, already constructed, and as branches or extensions thereof, upon and along the sur-City of New York, with double tracks, connecting with the tracks of said company, already constructed, and as branches or extensions thereof, upon and atong the surface of streets, avenues and highways in the City of New York, as follows:

From the junction of Ameterdam avenue and West One Hundred and Forty-fifth street, connecting there by suitable curves, switches and appliances with the company's railroad upon Amsterdam avenue, running thence easterly through, upon and along West One Hundred and Forty-fifth street to the Harlem River.

Also from the same junction of Amsterdam avenue and West One Hundred and Forty-fifth street, with entiable connections, running thence westerly through, upon and along West. One Hundred and Forty-fifth street to the Boulevard or Eleventh svenue.

That your petitioner now owns, and is operating, in the City of New York, as a part of one system, surfeen twenty-five-one-hundredths miles of railroad, or thereabouts.

That said proposed extensions and branches will be about one and one-quarter miles, or thereabouts, in length, and will become and be a part of said system, and connected therewith.

That the construction of said railroad will greatly ac-

one and one-quarter will be a part of said system, and connected therewith.

That the construction of said railroad will greatly accommodate the public and promote the convenience therefor and will afford additional and much-needed facilities for travel to the territory through which said railroad will extend, and will enable your petitioner to transport persons from all points on its system over this extension as a part of a continuous line to their destination for one

coperate the railroad aloregale, and accordingly your pentioner now applies to your Honorable Body for such consent and pentioner prays and makes application to the Common Council of the City of New York for its consent and permission to be granted to your petitioner, its agreessor, lessees and assigns, to construct, maintain and operate a street surface tailroad for public use, through, upon and along the avenues, streets and highways above set forth and described, together with all necessary connections, switches, sidings, turnouts, turntables, crossavers and suitable stands for the convenient working of saig railroad, and for the accommodation of the company's cars which may be run over said railroad by your petitioner, its successors, successor, lessees and assigns.

Dated New York, February 8, 1867.

State of New York, February 8, 1867.

State of New York, City and County of New-York, ss.:
Albert J. Elias, being duly sworn, deposes and says that he is the President of the Third Avenue Railroad Company, the petitioner named in the foregoing petition; that he has read the foregoing petition by him subscribed, and knows the contents thereof; that the same is true to the knowledge of the denoncy, except as to the matters therein stated to be alleged on information and belief, and as to those switters he believed it to be true; and, further, that he signed said petition as President of each company by the authority of its Board of Directors, and affixed the corporate seal of said company thereto, by the like authority.

Notary Public, New York County, No. 110.

All persons interested in the foregoing application are hereby notified to be present at the time and place mentioned in said resolution.

WM. H. TEN EYCK.
